

KONEY LEADING FIRST SACKER IN NATIONAL LEAGUE

Fielding Averages For 1913 Show Many Changes Over Previous Year—Booe Has Perfect Average.

NEW YORK, Dec. 6.—The National league fielding averages for the season of 1913 show a number of changes in the standing of players as compared with the records of the previous year. Koney of St. Louis moved from fourth to first place, his average as a first baseman being .995, while Jake Daubert of Brooklyn, who led the league in 1912, dropped to second place, four points below Koney. Among the second basemen, Miller Huggins of St. Louis, whose record of .972 was one point less than that of a year ago, John Lohr of Philadelphia, second among third basemen in 1912, was ranked first this season with .971. Joe Tinker of Cincinnati wrestled first place shortstop honors from Kenes Wagner of Pittsburgh, his percentage being .968 against Wagner's .962. Tommy Leach of Chicago leads the outfielders with .990 for 123 games, although Booe of Pittsburgh is the technical leader with 1000 for 22 games. Leach showed a big improvement over his 1912 performance, gaining 12 points in percentage, although playing 32 more games this year.

Grover Alexander of Philadelphia is given first place among the fielding pitchers of the league with a perfect percentage for 47 games. Fromme, Cincinnati and New York, Riedy, Philadelphia, Crandall, New York, McQuillan, Pittsburgh, and Burk, St. Louis, are all in the 1000 class with Alexander, although pitching a number of games less than he did. In the club fielding Philadelphia is ranked first with .968, and St. Louis comes second, three points below the Phillies. Pittsburgh is third with .964, and New York, Cincinnati and Brooklyn are all tied for fourth place with .961.

NOTRE DAME HAS MAN ON ALL-PROFESSIONAL

Reulbach is Picked For Left Guard By Chicago Critic, Who Selects Ball Players.

CHICAGO, Dec. 6.—An "all-American" football team composed of men who have achieved fame as professional baseball players has been selected by a local critic. Every man on the team played football, and some of them were stars. Following is the eleven: Lord, Colby, right end; Birmingham, Cornell, right tackle; Johnson, Everett, left guard; Overall, Carlisle, center; Reulbach, Notre Dame, left guard; Hobbitt, Marietta, left tackle; Brickley, Everett, left tackle; Huggins, Cincinnati, quarterback; Thorpe, Carlisle, right halfback; Cannon, Minnesota, left halfback; Mathewson, Bucknell, fullback; Mathewson was considered a star on the gridiron and to him Cannon and Thorpe, all good punters, will be given the kicking duties. The ends selected were good at school, Harry Lord having been the greatest in the position that Colby ever saw.

CAMP AFTER DOPE FOR ALL-AMERICAN TEAM

Pays Trip to Chicago to Find Information on Some of the Western Players.

CHICAGO, Dec. 6.—There is no prospect of a Yale-Chicago football game in the near future, according to Walter Camp, who arrived here Friday. Sectional games, he said, already provide sufficiently heavy schedules for the various teams. Speaking of the proposition to number players, he said: "There is much in favor of numbering the players, and it looks as if the practice were bound to become general."

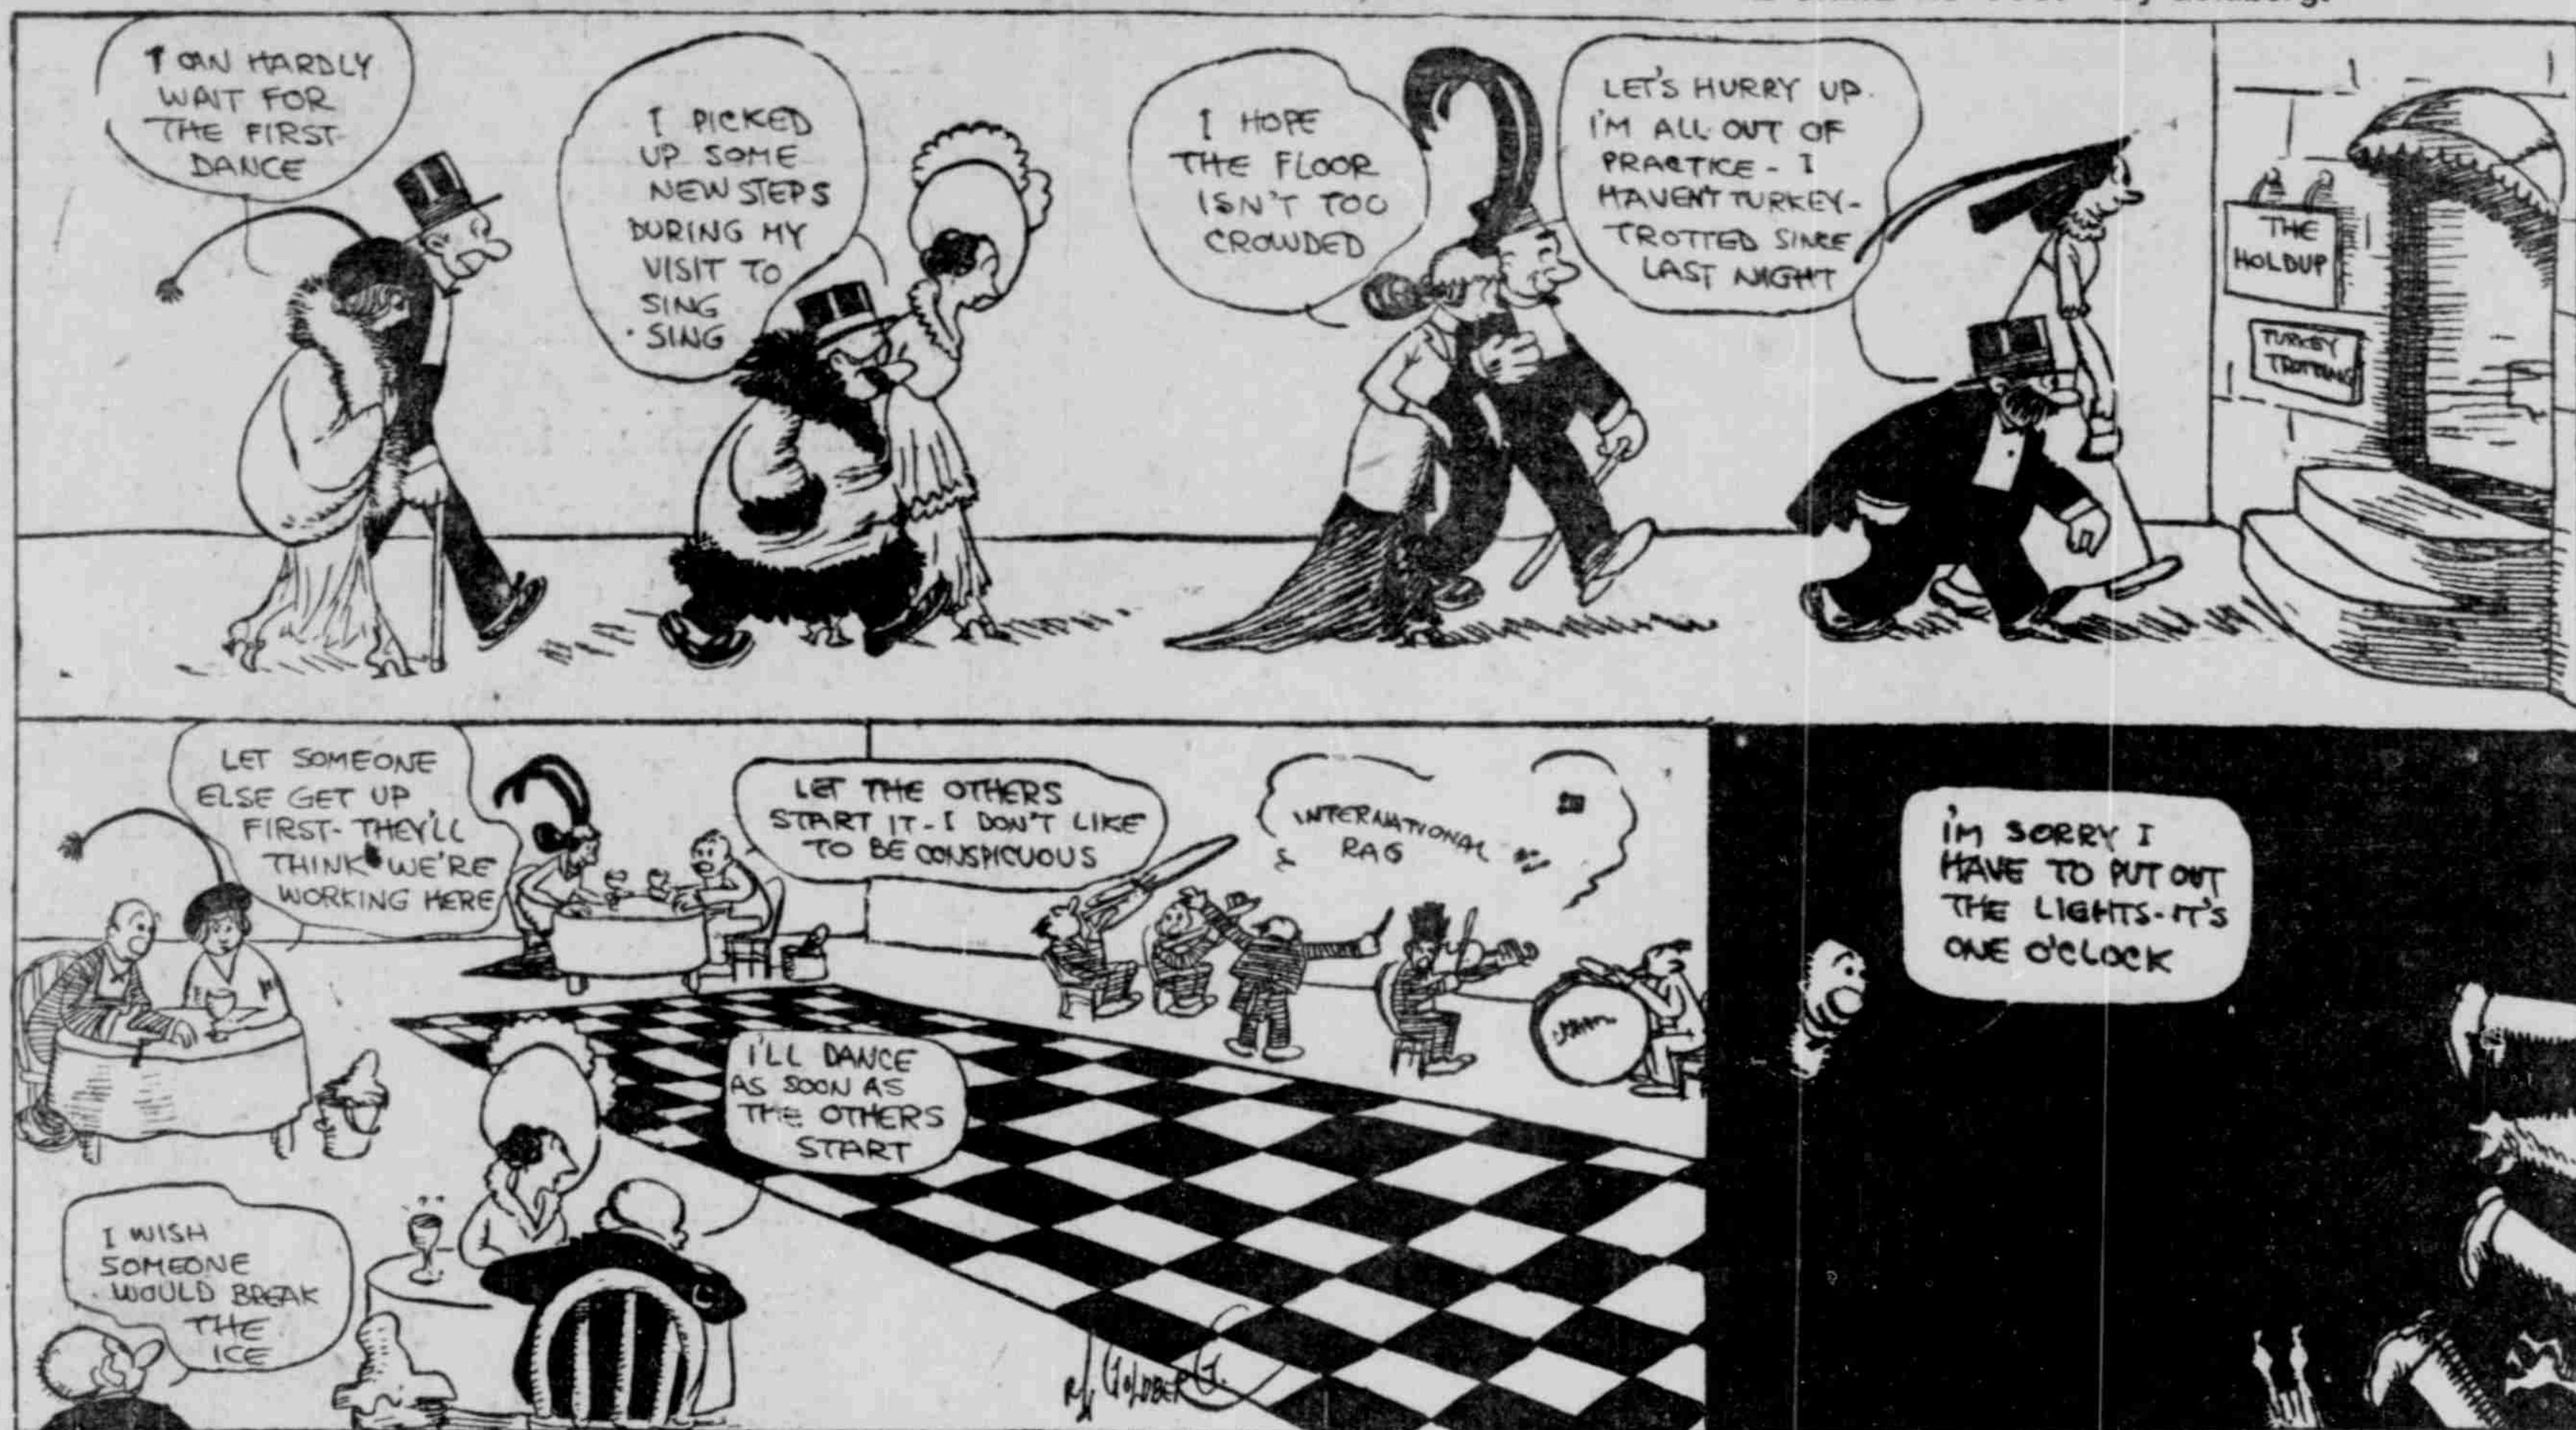

Camp's visit here is for the purpose of getting information on which to base his selection of this year's all-American team. Next year he said he probably would select three teams, a star eastern, a star western and an all-American.

WANT FOOTBALL GAMES. The Assumption school football team has played many public schools in South Bend this season and wished to play the Franklin school for the championship, but the manager of the Franklin team said that they did not desire the championship over the Assumption or any other parochial school.

TIGERS VS. L. C. The Tiger football team will play the L. C. club Saturday afternoon at River Park for the 112 pound championship. The Tiger team will play with the following lineup: Walling, lc; Smith, rt; Hartman, lc; Hootman, lc; Rostiser, rt; Nelson, rt; Madara, lc; Wenzel, rt; Humberger, lc; Stuckey, rt; Harding, lc; and Miller, lc.

NEW CONFERENCE MAY BE FORMED

Marquette Authorities Anxious to Start "Big Eight" if Schools Are Turned Down by Big Nine.

Notre Dame will be one of the shining lights of the big western college conference in the near future, if plans advanced yesterday are carried to a successful close.

If the South Bend university along with Nebraska and Marquette are denied admission to the "Big Nine" at the meeting to be held Saturday active steps for the immediate organization of another western conference will be taken. Notre Dame is among the eight colleges suggested for the association. Other members under consideration are St. Louis, Marquette, St. Mary's, Missouri, Nebraska, Creighton and St. Thomas.

The idea originated at Marquette and already officials of the institutions named are conferring in regard to the creation of the "Big Eight." In case Notre Dame, Nebraska, and Marquette are denied admission to the Big Nine Saturday a meeting of the officials of the institutions named will be held in the near future and permanent plans for the organization laid.

A majority of the leading college athletic authorities are of the opinion that the gold and blue as well as the green and white institutions will not be taken into the conference. It is generally admitted that Notre Dame's chances for recognition are better than before but that even so they are slight.

Although the regulations of the new western conference if formed are not expected to be as strict as those of the older organization the west will be a unit to insure advancement in the athletic world to all members. The reputation of Harper and other physical directors of the school named promises a conference worthy of respect.

Although he could not be interviewed on the subject last night it is believed that Harper would use his influence for strict rules for the new conference. His past policy has been such as to advance the chances of his college for recognition of the Big Nine. With the assumption of his duties the coach made two radical departures from Notre Dame custom in insisting on scholastic standing customary in conference colleges and did away with freshmen on athletic teams.

BOXER IS SHOT. PARIS, Dec. 5.—Willie Lewis, the American middleweight boxer, was accidentally shot in the leg Friday by Frank Moreau, the French heavyweight while both were hunting near Ruffy in the department of Seine-et-Oise. The discharge was from a shotgun and Lewis' wounds are not serious.

PACKETS GET \$1,500. ST. LOUIS, Mo., Dec. 5.—Packer McFarland, the clever Chicago "gentleman boxer" Friday was handed \$1,500, his end of the gate receipts for Thursday night's exhibition when he outboxed Harry Trendall, the best welterweight in St. Louis. A crowd of nearly 7,000 fans witnessed the bout which went eight rounds.

INDIANA PLAYERS ARE AWARDED MONOGRAMS

Frank Whitaker, Former Local High School Star, is Given the Coveted Initials.

BLOOMINGTON, Ind., Dec. 6.—"Ts" for the football season of 1913 have been awarded to the following Indiana men by the athletic committee: Davis, Fleming, Erehart, Berry Whitaker, Frank Whitaker, Scott, Williams, Goodman, Krause, Winters, Walker, Bean, Barnhart, Johnson, Worsey, Trout and Conrad. The following men were awarded sweaters: Zarins, Loetz, Pechinpaugh, Matthews, Redmon, Voss, Dice, Decker and Shonkewiler.

NAPPANEE HIGH TO OPEN SEASON HERE

Nappanee will be the first opponent of the tan and blue basketball quintet on Dec. 13. Coach Metzler made this announcement Friday.

Wingate, winners of the state basketball tournament held at Indiana university last spring, has written South Bend for a game here on March 14. Wingate proved the "dark horse" of the tournament and defeated South Bend in an overtime contest by a score of 14 to 13. Should Capt. Stonebreaker of last year's five be on the team this year, the locals will have their work cut out for them, for this man alone scored the 12 points annexed in the regulation game, and kept his team in the running throughout the whole tournament.

The game with the Y. M. C. A. secretary last Wednesday gave Coach Metzler a good idea of the material on hand, and he has started work on rounding out the men. Allen, Cottrell and Forster showed up best in this game and will probably land positions on the regular five.

WHITE SOX AND GIANTS REACH SUNNY JAPAN

YOKOHAMA, Dec. 6.—The arrival of the touring White Sox and Giants here Saturday was made a gala event by Americans in this city. Hundreds went to the dock to greet the baseball stars when they landed from the liner Empress of Japan.

The athletes were happy over their escape from water to land as many of them were seasick during the voyage. Several fetes have been arranged for the players.

BASKETBALL MEN MEET SATURDAY

Lewis Institute Five Will Present First Opposition This Year For the Notre Dame Quintet.

Coach Harper gave his basketball candidates a stiff workout yesterday afternoon in preparation for the opening tilt with Lewis institute Saturday, Dec. 13. This will be the only game before the holidays and will serve to give Harper some idea of the calibre of his material. The same policy that the gold and blue athletic director found of such benefit in football is being used on the court. Hard work and plenty of it was handed the men at the very beginning and this program will be kept up throughout the season.

After a short practice in passing and in team work Harper picked two fives and sent them through 30 minutes of fast play. Cahill and Kenny worked at the forwards and Kelleher and Nowers at the guards for one quint. "Rupe" Mills, the gold and blue star six foot center, failed to report yesterday and Fitzgerald took charge of the pivot position. Bergmann, Henahan, Crilly, Feeney and Smith made up the other team and through two 15 minutes halves these fives fought on even terms.

Cahill and Kenny, last year's varsity forwards got in some excellent teamwork. Kenny located the basket with uncanny precision, when one considers the basketball players have appeared but twice on the court this year. Fitzgerald looks good at center. His height enables him to get the tip-off nearly every time and he follows the ball well.

Finegan and Gushurst have not yet come out for basketball. The former received a bad bang on the chin in the Christian Brothers' football game and will not report for a few days. Gushurst was troubled with a bad shiver several times during the football season and the bruising Texas struggle did not serve to help it along. The crack right end of the football eleven will soon be in harness to try for a place on the team.
